part of the area of State of Jharkhand,
which is the most educationally backward

And

WHEREAS when the founder of this
deed visited the most part of the Garhwa
Division, he found that the public at large
such children of this Division / District
are educationally undeveloped and very
backward in education and there was no
proper management or arrangement for
getting the education. This education
backwardness can not be eradicated by
efforts of the Govt. of Jharkhand only
therefore he made up his mind to establish
educational Institution in the District
Head quarter or any other suitable place
or places where from eradication of
education may spread in all part of the
Garhwa District. At present for this
purpose, the founder has established a
School in the name and style of R.K. Public
School, Garhwa, in which large number of
students belonging to different part of
